Ski Kindergarten - Cronido (ages 3-4)

The first experience of snow and skis is something special. At this age, the focus is not on learning ski technique quickly, but on discovering snow, skis and movement through play. With plenty of patience and a programme specially designed for young children, our ski instructors introduce them to winter sports step by step. The aim is to build confidence and enjoyment on snow and skis.

Benefits

- ✓ All-round care for our youngest guests
- ✓ Learning through play, with plenty of patience and attention
- ✓ Croniworld with lunch (full-day Cronido), play area and supervision
- ✓ Spacious beginners area with several dedicated conveyor lifts

No ski pass required.

Ski equipment is not included. It can be hired from our partner Rentasport Kronplatz, next to the ski school in the valley in Reischach.

MEETING POINT - COURSE START AND END

Croniworld, directly by the car park at the Kronplatz area in Reischach, below the Korner Express lift.

Children can come to Croniworld with their parents at the meeting time. This leaves plenty of time to arrive, get changed and settle in before the course starts.

Ski Kindergarten - Cronido (ages 3-4)

Additional information

- All children meet at Croniworld (indoor kindergarten). In poor weather they do their warm-up exercises in Croniworld. Otherwise, they go to the Kinderpark with the ski instructors and start the course on the slope. The children spend around 1 to 1 hour 15 minutes outdoors.
- **Full-day Cronido:** After the ski lesson, the children have lunch together at Croniworld, followed by playtime.
- All participants should carry the red course ticket or the online ticket issued when registering or paying at the office in their jacket pocket and show it to the ski instructor.
- Children can join the Cronido ski course on any day and are not tied to specific weekdays. There are no courses on Saturdays.

CHECKLIST

- Ski equipment: helmet, goggles, ski boots, skis and gloves
- Red course ticket / online ticket
