COURSE INFO

Teen Ski Course - Youngster (ages 14-18)

Advanced skiers

Skiing is about more than just making turns: young skiers continue to develop their technique, improve their confidence on the slopes and discover new aspects of the sport.

Alongside the technical fundamentals, which form the basis for further specialisation, participants are introduced to freestyle and racing techniques. Our ski instructors support them as they refine their own skiing style and take on new challenges.

Benefits

- ✓ Technique training for young skiers
- ✓ Introduction to freestyle and racing techniques
- ✓ Professional guidance from experienced ski instructors

Ski pass required (not included)

Equipment is not included. It can be hired from our partner Rentasport Kronplatz, next to the ski school in the valley in Reischach.

MEETING POINT - COURSE START

In front of the ski school office at the summit of Kronplatz, by the white flag marked "Youngster".

MEETING POINT - COURSE END

In front of the ski school office at the summit. Course ends at 12:30.

- From 21.03.27: course starts at 10:00 and ends at 12:00.

Additional information

- On the first day, all participants are placed in suitable groups according to their skiing ability.
- All participants should keep the red course ticket or online ticket issued at registration/payment in their jacket pocket and show it to the ski instructor.
- If you are late, please report to the ski school office at the summit.
